CONGRATULATIONS ON YOUR STUDY PLACE IN FINLAND!

Are you a citizen of EU, Iceland, Liechtenstein, Norway or Switzerland?

- If your answer is 'NO' and you plan to study in Finland for more than three months: you will need **a residence permit**.
- If your answer is 'YES', you do not need a residence permit. For information on EU citizens' registrations please go to: www.migri.fi/eu_registration

This letter is for all those students who need a residence permit.

What to do now?

Submit an application for a residence permit online at <https://enterfinland.fi/eServices>.

- Apply for your residence permit abroad, not in Finland.
- **Visit a Finnish embassy/consulate in person** for identification and fingerprinting.
 - Contact the embassy or consulate in advance to arrange a visit. All Finnish embassies and consulates are listed at www.formin.fi.
 - If there is no Finnish diplomatic mission in your country, contact a Finnish mission in another country to confirm your visit.
 - Your application will not be processed before you've visited a Finnish embassy.

Important to remember

Start preparing your application immediately after receiving your acceptance letter. The entire process may take several weeks. The application process is longer if you submit an incomplete application, so be sure to **follow the instructions on the next page of this letter**. Check out more information at www.migri.fi/studying_in_finland.

We process all residence permit applications based on studying as urgent. To follow the progress of your application, log on to your electronic account. You can also find updates on application queues at www.migri.fi. Remember that telephone or e-mail inquiries will not make the process faster.

If your application is approved, you will get a biometric residence permit card. The card is manufactured in Finland and delivered to the Finnish embassy. It's not possible to expedite the delivery of the card or collect the card from Finland. **All students must wait for the residence permit card before coming to Finland.**

Airline tickets should not be acquired in advance since the decision might not be ready before your flight to Finland.
