Please note!

It is possible to choose either second year (ATA19S / ASL19S) or third year studies (ATA18S / ASL18S), not both as courses from different years are arranged at the same time.

If you choose courses from second year, choose only one module (Wellbeing OR Adventure), don't mix the courses between modules!

Changes are possible, final course arrangements will be confirmed at the beginning of spring semester in January.
