

SCIENCE WITHOUT BORDERS 2015-2016 course offering.
Mechanical and Mining Engineering 60 ECTS

		ECTS
Mining module		
TKVA008	Introduction to Mining	1
TKVA009	Mining Geology	3
TKVA001	Particle and Benefication Engineering	5
TKVA010	Rock blasting and Mining Engineering	3
TKVA012	Mining Legislation and Occupational Safety	3
TYW099	Fine Grinding and Classification Technology	3
TYW128	Mine Planning	3
total		21
Language studies		
KBW234	Facts and Fiction about Finland	3
KBVY001	Finnish for Exchange Students	3
KBEN004	English Conversation	3
total		9
Project module		
TKVP005	Maintenance Project Work	3
TKVK005	Mechanical Planning Project Work	3
TKVJ005	Production Management Project Work	3
...	Mining Engineering Project Work	6
total		15
Practical Training		15
or		
International Business and English Web Courses (select 15 ECTS)		
see "Business courses for exchange students in Autumn 2014.pdf"		
For example:		
KBBC013	Business Communication Skills	3
KBPI023	Strategic Management	3
KBW012	Risk Management	3
KBPI007	Export and Import Routines	3
KBPF011	Quality Management	3
total		15
