

Case: how to combine R&D project and Erasmus+ mobility

- Project: Development of Sustainable Tourism in Rural Azerbaijan
- Funded by Ministry for Foreign Affairs of Finland
- Implemented in cooperation with 2 NGOs: Sustainable Future NGO (Finland) and Ekoloji Tarazliq NGO (Azerbaijan)
- Stakeholder: Azerbaijan Tourism and Management University
- Erasmus+ mobility between KAMK and ATMU since 2016

Project goals:

- Development of sustainable tourism and reduction of poverty
- Creating new quality tourism products, better accessible and corresponding to the customers' needs
- Capacity-building and improvement of the operational environment
- Involving women to gain own income from Tourism
