Instructions how to enroll for courses in PAKKI
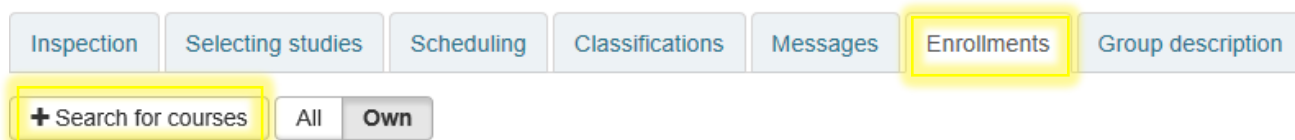

1) Go to your own PAKKI from here

2) Click your personal Study plan (HOPS)

Study Plan (HOPS)

9) Choose Enrollments -site and click search for courses

| Inspection | Selecting studies | Scheduling | Classifications | Messages | Enrollments | Group description |

+ Search for courses   All   **Own**

10) Add the code of your course and search. Don't leave any space before or after the code.

Upcoming implementations:

Elements of AI LT00BS46-3002 01.01.2020-31.12.2020 2 credits (VAPVAL2020)   +

LT00BS46-3002   Search

LT00BS46-3002 Elements of AI   ⊙ Enroll
Campus: - Group(s): VAPVAL2020 Enrolled: 9/0

By clicking the course name you can see detailed information of the course (same than in Study Guide).

Clicking the Enroll -link, you can enroll for the course. You can enroll only once for each course. Please notice, if the group is already full, you can stay on hold for the course. System informs you if your enrollment was successful.

If you wish to enroll for several courses at the same time, close the search -window after every enrollment to prevent any technical problems. You can see all courses to which you've enrolled from the bottom of the page.

Status	Course code	Groups	Implementation	Number of credits	Enrolled	Small group/request
	AL00BL88-3001	AMA19S, ALK19S	Liikunnan perusteet	5	32
