KAJAANI UNIVERSITY OF APPLIED SCIENCES (KAMK)

At KAMK you can enjoy a cozy study atmosphere in our close-to-nature campus area, located not far from town center. In our compact campus you can find all student services comfortably close to each other as well as the student accommodation. Our multicultural study groups are small, which helps in building good relationships with fellow students and lecturers.

Studying in a double degree programme offers you a chance to study a part of your degree in Finland. After successfully completing the requirements of the double degree, you will receive a bachelor's degree not only from your home university, but also from KAMK.
